

Please enter the Main car park from the Main Warwick Road (by the traffic lights) – this is indicated on the map above by the green circle.

Please then park in the “Chapel Car Park” – indicated by the red oval.

You then need to walk from the car park, following the route marked out by the dotted lines (above) to the astroturf pitch.

Please DO NOT walk on the grass at any point, and follow the paths.

Those that know the school and wish to simply drop children at the Field of Mars Car park, then feel free to do that though remember that at the end of the session **SOMEONE MUST COLLECT THEM FROM THE PITCH** (as we will not let kids simply leave the area without an adult to look after them).

If you wish to just collect from the Field of Mars, then we may be able to walk a group of players down to that Car Park at the end of each session – but please do not park permanently there as there is not enough space for everyone in that car park.
